

Early Childhood Education Teachers wanted in Helsinki, Finland!

Are you passionate about nurturing children's learning and development?

Are you dreaming of a fulfilling career in early childhood education and ready for a life-changing adventure?

The City of Helsinki is looking for dedicated Early Childhood Education Teachers to join their Finnish-speaking public daycare centres.

We Offer:

- **Permanent full-time contract at public daycare centres** in Helsinki, Finland
- Excellent **career development opportunities**
- **Competitive salary** and excellent **benefits**: Starting salary €2996,90–€3224,86/month (gross) depending on responsibility + 3–8% increase in base salary depending on work experience
At least 24 days of paid holiday per year + public holidays Additional holiday bonus in July, ~40–60% of the monthly salary Public transport, wellness, culture and sport perks (550€/year)
- **Comprehensive free Finnish language training** to reach target level B1, starts in April 2026, 2-3 times a week online
- **Help with relocation**, all registrations and finding an apartment

You will love this role if you:

- Want to use your pedagogical degree fully
- Want to be trusted to make decisions based on your expertise
- Believe small child groups matter and they make quality pedagogy possible
- Believe children learn best through play and exploration
- See pedagogical value in every moment
- Are curious, reflective, eager to develop your practice
- Are resilient when things get tough and know that working together—sharing ideas, giving and asking

for help, and learning from mistakes—leads to better outcomes than trying to get everything perfect on your own.

Requirements:

- Bachelor's degree in Early Childhood Education eligible for recognition in Finland
- EU work permit
- Readiness to learn the Finnish language
